

Customized CNC Brass Parts Machined Polishing

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Supply_ability: 10000 Pieces/Month
- Payment_term: T/T, PayPal, Western Union
- Weight: Customized
- Package: Standard Export Package
- Color: Customized
- Delivery_time: 7-15 Days
- Application: Electronic Components
- Processing_method: CNC Machining
- Highlight: **Customized CNC Brass Parts, Machined CNC Brass Parts**

Product Description

Product Description:

We offer customized CNC Brass Parts, which are computer-controlled machined parts made from brass. Our CNC machines offer precision machining for a variety of shapes, sizes, and finishes. Our experienced staff can assist with design, prototyping, and production of CNC machined Brass Parts. We have a wide range of materials available, including Brass, and are capable of providing the perfect surface finish, such as Polishing. Our manufacturing process is conducted in Shenzhen, and we guarantee a fast delivery time of 7-15 days. We are committed to delivering superior quality CNC machined Brass Parts with outstanding customer service.

Applications:

ywy cnc404 CNC Brass Parts are computer-controlled precision manufactured parts made of brass, with customized weight and dimensions. Our supply ability is up to 10000 pieces per month, and the tolerance of the parts is ± 0.01 mm. The parts have a place of origin of Guangdong, Huizhou. With their precision CNC-manufactured and CNC-fabricated characteristics, ywy cnc404 CNC Brass Parts are the perfect choice for a variety of applications.

Customization:

Custom CNC Brass Parts

Brand Name: YWY

Model Number: CNC404

Place of Origin: Guangdong, Huizhou

Surface Treatment: Polishing

Material: Brass

Payment Term: T/T, PayPal, Western Union

Port: Shenzhen

Delivery Time: 7-15 Days

We offer customized Computer-controlled Brass Parts, Computer-programmed Brass Parts and other CNC machined parts. All of our parts are made of high-quality brass and machined with precision to fit your exact specifications.

Our experienced engineers and machinists are committed to providing superior quality products and services. We guarantee fast delivery and competitive pricing for all of your CNC machining needs.

Support and Services:

Technical Support and Service for CNC Brass Parts

We provide professional technical support and service for our CNC brass parts. Our experienced and knowledgeable staff can help you with any questions you may have about our products. We can provide you with detailed product specifications and drawings, as well as technical advice and assistance with installation and maintenance. We also offer full repair and replacement services, and can help you find the right parts for your application.

We understand the importance of having reliable technical support and service for our customers. That's why we go above and beyond to ensure that your CNC brass parts are of the highest quality and perform to your expectations. Our team is available 24/7 to answer any questions or concerns you may have about our products or services.

Packing and Shipping:

Packaging and Shipping for CNC Brass Parts

CNC Brass Parts will be packaged in corrugated cardboard boxes with bubble wrap and foam inserts for added protection.

The boxes will be clearly labeled with the product details and shipping address. All packages will be shipped via a reliable, traceable carrier with insurance for added security.

FAQ:

Q: What brand is the CNC Brass Parts?

A: The brand of the CNC Brass Parts is ywy.

Q: What is the model number of the CNC Brass Parts?

A: The model number of the CNC Brass Parts is cnc404.

Q: Where is the CNC Brass Parts from?

A: The CNC Brass Parts is from Guangdong, Huizhou.

Q: What material is the CNC Brass Parts made of?

A: The CNC Brass Parts is made of brass.

Q: What is the size of the CNC Brass Parts?

A: The size of the CNC Brass Parts is customized according to different requirements.
