

High-Performance CNC Machined Parts for Automotive Aerospace Medical

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Application: Automotive, Aerospace, Medical, Etc.
- Quality Control: 100% Inspection Before Shipment
- Delivery Method: DHL, FedEx, UPS, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- OEM/ODM: Acceptable
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Packaging: Standard Export Carton Or Customized
- Size: Customized
- Highlight: **Medical CNC Machined Parts,**
Aerospace CNC Machined Parts,
Automotive CNC Machined Parts

Product Description

Product Description:

At our state-of-the-art manufacturing facility, we use the latest in computerized machining technology to produce precision parts that meet the most exacting standards. Our team of experienced engineers and technicians are dedicated to ensuring that every part we produce meets our strict quality control standards, and undergoes a 100% inspection before shipment.

With a lead time of just 7-15 days, we can deliver your CNC machined parts quickly and efficiently, so you can get back to business without delay. And with our flexible MOQ of just 10 pieces, we can accommodate orders of any size.

Our standard packaging options include export cartons, but we can also provide customized packaging to meet your specific needs. And with our OEM/ODM services, we can work with you to develop custom parts that are tailored to your unique requirements.

So why choose our CNC machined parts? With our state-of-the-art manufacturing facility, experienced team of engineers and technicians, and commitment to quality, we are your go-to source for high-quality computer-aided machining parts that meet your exact specifications. Contact us today to learn more about our CNC machined parts and how we can help you meet your manufacturing needs.

Features:

Product Name: CNC Machined Parts

Tolerance: $\pm 0.01\text{mm}$

Material: Aluminum, Steel, Brass, Etc.

Packaging: Standard Export Carton Or Customized

Surface Treatment: Anodizing, Plating, Painting, Etc.

MOQ: 10 Pieces

Our CNC Machined Parts are high-precision computerized numerical cutting parts that are made from a variety of materials including aluminum, steel, brass, and more. With a tolerance of $\pm 0.01\text{mm}$, our Computer-aided manufacturing parts are perfect for a wide range of applications. We offer custom packaging options, including standard export cartons, and we offer a variety of surface treatments such as anodizing, plating, and painting. Our MOQ is only 10 pieces, so you can order the exact number of parts you need for your project.

Technical Parameters:

Application:	Automotive, Aerospace, Medical, Etc.
Tolerance:	$\pm 0.01\text{mm}$
OEM/ODM:	Acceptable
Quality Control:	100% Inspection Before Shipment
MOQ:	10Piece
Delivery Method:	DHL, FedEx, UPS, Etc.
Processing Method:	CNC Machining, Turning, Milling, Etc.
Drawing Format:	PDF, DWG, IGS, STEP, Etc.
Surface Treatment:	Anodizing, Plating, Painting, Etc.
Material:	Aluminum, Steel, Brass, Etc.

Applications:

Our CNC machined parts are suitable for a variety of industries, including aerospace, automotive, electronics, medical, and many others. They can be used for prototyping, testing, and manufacturing of complex parts, as well as for replacement parts and repairs.

Our CNC machined parts are certified to meet the highest quality standards, and we offer a minimum order quantity of 50 pieces. The price of our CNC machined parts ranges from \$2.35 to \$12.68 per piece, and they are packaged using EPE foam, anti-rust paper, stretch film, and plastic bags, before being placed in sturdy cartons for shipping.

We guarantee fast delivery times, with a lead time of 7-15 days, and offer flexible payment terms to our customers. We also have the capacity to produce up to 1000000 pieces per month, ensuring that we can meet the needs of our customers, no matter how large or small.

Our CNC machined parts are produced using a range of processing methods, including CNC machining, turning, milling, and more. We offer 100% inspection before shipment, ensuring that our customers receive only the highest quality parts. Our CNC machined parts have a tolerance of $\pm 0.01\text{mm}$, ensuring that they meet even the most exacting specifications.

We use trusted delivery partners such as DHL, FedEx, and UPS to ensure that our CNC machined parts are delivered quickly and safely to our customers, wherever they are in the world. Whether you need CNC machined parts for a prototype or for mass production, our yuanwenyu CNC machined parts are the perfect solution for your needs.

Customization:

Our yuanwenyu brand offers product customization services for our CNC machined parts. Our models include 1X893 and OEM, manufactured in Guangdong, China. Our products have certification and require a minimum order quantity of 50 pieces. Our prices range from \$2.35 to \$12.68 per piece and come with packaging details such as EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton. We offer a delivery time of 1 and accept payment terms of 1. Our products have a supply ability of 1000000 Piece/Pieces per Month and are suitable for various applications such as automotive, aerospace, medical, etc. Our packaging comes in standard export carton or customized as per the request. The lead time for our products is 7-15 days, with sizes customized as per the requirement. Our products have a tolerance of $\pm 0.01\text{mm}$ and are computer-aided manufacturing parts, computerized machining parts, and numerically-controlled machining parts.

Support and Services:

Expert consultation on part selection and customization

Assistance with installation and setup

On-site training and support

Regular maintenance and repair services

Fast turnaround for parts replacement and repairs

We are committed to providing our customers with exceptional service and support. If you have any questions or concerns about our CNC Machined Parts, please do not hesitate to contact us.

Packing and Shipping:

Product Packaging:

Each CNC machined part will be individually wrapped in protective material and placed in a sturdy cardboard box with appropriate cushioning materials to prevent damage during transit. The box will be labeled with the product name and quantity for easy identification.

Shipping:

Our products are shipped through reliable carriers and delivery times may vary depending on the destination. Shipping costs will be calculated based on the weight and dimensions of the order, and will be added to the total cost during checkout. We offer both domestic and international shipping options.

FAQ:

Q1: What is the brand name of the CNC machined parts?

A1: The brand name of the CNC machined parts is yuanwenyu.

Q2: What is the minimum order quantity for the CNC machined parts?

A2: The minimum order quantity for the CNC machined parts is 50 pieces.

Q3: Where are the CNC machined parts manufactured?

A3: The CNC machined parts are manufactured in Guangdong, China.

Q4: What is the delivery time for the CNC machined parts?

A4: The delivery time for the CNC machined parts is 1.

Q5: What is the price range for the CNC machined parts?

A5: The price range for the CNC machined parts is \$2.35 - \$12.68 per piece.

Q6: What is the packaging details for the CNC machined parts?

A6: The packaging details for the CNC machined parts include EPE foam, anti-rust paper, stretch film, plastic bag + carton.

Q7: What is the payment term for the CNC machined parts?

A7: The payment term for the CNC machined parts is 1.

Q8: What is the supply ability of the CNC machined parts?

A8: The supply ability of the CNC machined parts is 1000000 Piece/Pieces per month.
